

At ARS/Center,
we'll see you sooner.

SHORTER VISITS. LESS WAITING.

To meet the growing demand for conveniently accessible state-of-the-art radiology and women's health services, Pocono Medical Center HealthSystem and Monroe Radiology Imaging have partnered to form Advanced Radiology Services and Center For Women's Well-Being.

The result is advanced technology and advanced convenience.

ARS/Center: new vision
for Monroe County.

ADVANTAGE PATIENTS. ADVANTAGE PHYSICIANS.

For physicians and their patients, Advanced Radiology Services and Center for Women's Well-Being is an idea whose time has come.

Shorter visits and less waiting for patients.

Prompt and personal reporting for physicians.

The Center advances women's health.

WOMEN'S HEALTH. A QUANTUM LEAP.

The Center for Women's Well-Being offers a full range of radiology services, health, wellness, and community education outreach programs for women at two convenient locations.

Imaging services include ultrasound, mammography, and bone densitometry screening for osteoporosis.

The Center is the only facility in Monroe County offering stereotactic breast biopsy procedures. Described as a "tiny breakthrough" for women and a quantum leap in minimally invasive technology, stereotactic biopsies are performed in the comfortable privacy of The Center.

Women appreciate the Center's feminine touch.

Enjoy easy access to world class radiology.
